Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. I think Sable Island is a special iconic place that MANY Nova Scotia and Canadians would NOT like to see damaged, polluted, or susceptible to man's and corporations' invasions. Please keep it safe for its wildlife, flora, and as a special biological and environmental place. DO NOT allow gas and oil exploration there. Please reply to this letter before February 6 so I can take your update back to the Board of the Musquodoboit Harbour and Area Community Association at our next meeting.

Best wishes,  
Deirdre Dwyer, Chair  
Musquodoboit Harbour and Area Community Association
