Subject: I am opposed to oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 5:52:01 PM

Dear Minister McKenna,

I am opposed to oil and gas exploration occurring within Sable Island National Park Reserve. This is a beautiful national park that requires protection. Further oil and gas exploration is also incompatible with Canada's recently renewed greenhouse gas emissions pledges. Please do not allow any fossil fuel exploration within this or any other national park.

Thank you,

Megan Hardman
