Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:12:44 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. This and all other National Park Reserves must be protected from industrial activities. The development of oil and gas is detrimental to reaching Canada's GHG emissions reduction objectives and contrary to the liberal party's commitment of ensuring a better environment to all Canadians.

Thank you,

Jacques Prescott
