Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:20:50 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. You should be looking to the future for more sustainable energy sources like hemp(hemp ethanol). Henry Ford's 1st car was made from hemp and powered with hemp ethanol! Destroying our environment for the sake of your oil lobbyists and their greed for money is insulting!

Thank you,

RobGordon
