Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Growing up riding horses in Nova Scotia, Sable Island has always been a very special place for me and I would not want that to be jeopardized in the future ESPECIALLY for a dying industry that we should be doing everything in our power to move away from - not grow further.

Thank you,
