Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 12:12:48 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

This is a terrible breach in government trust. When the government of Nova Scotia entered into an agreement with the federal government to turn Sable Island into a national preserve, your guardianship did not change. Working towards the preservation of Sable Island and seeking companies to explore for oil within the reserve are antithetical.

Your government needs to honour its guardianship of both the wildlife and vegetation of Sable Island.

Thank you,
