Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:10:07 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. In my lifetime I will be against any exploration of oil or natural gas around or on Sable Island. This Island is home to the vulnerable and voiceless animals and I am one voice that stands up for their well being. No to Fracking, No to oil exploration, No to natural gas exploration. The less human interference the better.

Thank you,
