Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-07-19 11:30:48 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Please address the existential climate emergency faced by humanity at this stage in history and leave all fossil fuels in the ground . Your government is losing the respect of a growing percentage of Canadians. It is time for a World War II type mobilization to attempt a global transformation imperative at this time.

Thank you,
Janet Eaton
