Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:15:17 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. The Sable Island National Park Reserve needs to be preserved and protected for the present and all future generations. Your government needs to invest and investigate renewable sustainable energies and get your heads out of the ground. Please keep your environmental promises. I am beginning to confuse you and your government with the conservative opposition.

Thank you,

JudithMurray
