**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 8:46:01 PM

Dear Minister McKenna,

Did we not learn from the BP Oil Spill in 2010 that no matter what promises are made, accidents happen and a lifetime of destruction happens? One mile out is not far enough. In this case, we not only putting a unique island ecosystem -- renowned world wide -- at risk, but the whole east coast fishery. Please don't be bullied into basing this decision on anything but what is best for the environment.

Thank you,

Kathy Fischer
