Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-02-19 11:13:37 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. The definition of a 'reserve' is a place where development and other intrusive activities are not allowed to happen. Oil and gas exploration has no place in such a sensitive and beautiful place such as Sable Island.

Thank you,
