Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 10:32:46 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. While I realize that powerful financial/petrochemical interests overrule Trudeau's supposed support of the environment, I oppose the old petrochemical industry. We must move, transition toward a GREEN economy/society if your children/grandchildren etc. etc. and mine have any chance. Thus, I oppose oil and gas exploration/exploitation within the Sable Island Reserve and anywhere else. We must reduce our dependency on oil and gas and transition before it is too late.

Thank you,

John Kennedy
