Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:39:31 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
This is a National Park and deserves complete protection.

I would like to see all oil and gas exploration and development halted across Canada and the development and use of solar, wind, and geothermal energies initiated instead.

Thank you,

Ken Dalton
