Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. In fact, I, vehemently, OPPOSE it. Clearly, this government is not at all interested in taking Canada into the future as a global partner in sustainability. Please, stop talking about heeding the warnings of climate change when you, clearly, do not mean what you say. It is most tiresome.

Respectfully,
