**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 12:54:03 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. This is protected land, so where the hell do you get off trying to destroy it for more dirty fuel?

This government signed the Paris Accord, so it is about time that this Government started moving Canada towards greener sources of energy instead of continuing to destroy our lands and environment with your outdated quest for dirty fuels.

Thank you,

Kathy Gynane
