Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Given the challenges facing the planet from climate change and the need to wean ourselves off fossil fuels, I really don't understand why we need more oil and gas exploration at all. The last places I would expect for this to occur would be National Parks and reserves. Please oppose this initiative.

Thank you,
