Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:29:32 PM

Dear Minister McKenna,

I am a non supporter of oil and gas exploration in Sable Island National Park Reserve, let alone anywhere else. I think other means of energy usage like everything going electric is the more acceptably healthy alternative for the parks, ourselves, and longterm global change. Companies can charge around the same amount or more for electric brands.

Thank you,
