Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 2:17:32 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Has anybody learned yet that we need to be moving away from this resource, or should we just accept that leaders don't care about the planet at all unless such action would favour their potential for re-election. Stop pandering to big oil, on behalf of all Canadians (and their future children and grandchildren).

Thank you,

LauraKennell-Morrison
