Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 8:26:01 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Canada's national parks should NOT be subjected to oil and gas activities. For Sable Island, surface drilling is prohibited, but loopholes in the legislation allow for the possibility of oil and gas exploration on the island, as well as sub-surface drilling. This is a unique area and must be preserved. One of the reasons I voted Liberal was for their stand on the environment. Please don't disappoint me AGAIN.

Thank you,
