Dear Minister McKenna,

You are the minister of the ENVIRONMENT, not minister of oil and gas! As a Canadian with family in Nova Scotia I know that the beautiful sand dunes there are a national treasure that we must protect for generations to come. We don't need any more oil we need more green sustainable energy. That is what your ministry and all provinces need to invest in.

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Thank you,

DominiqueBruce
