Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-06-19 9:20:04 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. It is absolutely hideous and completely against everything our national parks stand for to allow exploration and drilling in a place of such pristine natural beauty. Sable Island is an integral part of the natural beauty that Nova Scotia is renowned for, so please do the right thing and do everything in your power to make sure such resource exploration activities do not happen.

Thank you,
