Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Actually, I find it ludicrous.

The name of the NATIONAL PARK is Sable Island National Park RESERVE.

This national park should be kept in its natural state, protected as it should be always, without any danger of being mined, explored, drilled or otherwise scoured for the purpose of exacting money.

Please do not allow any oil or gas exploration in this, or any national park.

Thank you,

Desiree Myers Añez
