Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

What a travesty, what a horrible onslaught to leave for those who will inherit our place on the earth. Please help stop the onslaught planned for the Sable Island National Park Reserve. Greed and stupidity – though ignorance will play a role if left untethered – can be the ONLY motive for supporting it– at any level.

Thank you,

Donald Patriquin
