Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 1:23:38 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

We are destroying the environment faster than we can save it. There are experts that can be consulted that can make the transport of what you would take out of that piece of heaven, but there is more of an opportunity for a photo op when there is an oil spill.

Would you allow oil drilling on parliament hill? I think not.

Thank you,

GaleMarshall
