Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-05-19 1:18:50 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. The call for bids by the Canada-Nova Scotia Offshore Petroleum Board puts this unique ecosystem at risk from surface disturbance and oil spills from eventual production. The legislation around the protection of this Park Reserve needs to be tightened to clearly specify NO exploration on the island and no drilling on or around the island, or within any national park. Thank you.

Sincerely,
