Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-03-19 6:36:47 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
We must not sacrifice everything to commercial greed and an insane carbon fuel economy and mentality.
Preserving natural habitats and biodiversity is one of the few hopes for a - Canadian - environment worth living in.
Please bear in mind the fate of future generations.
Be courageous. It's the best bet for the next election!

Thank you,

ManuelHulliger
