Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 1:06:01 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. If we allow drilling exploration in Savle National Park, what next , Banff, Jasper, Gros Morne, Gaspésie.... it is the responsibility of the citizens if Canada and the Governement of Canada to FULLY protect our National Parks and Reserves and the wildlife and uniqueness of these Parks. We have entrusted our Government to protect these lands. Big money should not buy our Parks and our Governement. Oh & we already have lots of oil we can't ship anywhere and get a decent dollar for.... it isnthat forgotten!

Thank you,
