Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 12:34:02 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. The Sable Island National Park Reserve belongs to all the people of Canada. To me the risks to the environment which is our one and only life support system are unacceptably high and unnecessary. The Supreme Court ruling today, that companies which declare bankruptcy must clean up their messes before rewarding their shareholders, seems to me a good first step toward Canada's putting real teeth into the protection of ecosystems. Rejection of oil and gas exploration with Sable Island National Park Reserve is another important step and I will support your government taking this step.

Thank you,
