Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 4:28:01 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

I cannot understand why this has even been considered. National Parks and Reserves are chosen because the area is ecologically important and needs to be protected.

Please do not allow oil and gas exploration to happen in this unique and sensitive area.

Thank you,
