Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Why are you stealing the future of the young people on this planet? What gives you the right to act as though you are in some way separate from those that pay your wages? Why is our government so out of control? You belong to the people, we do not belong to you!

I do NOT approve of the way the oceans are being treated, I do NOT approve of the continuation of fossil fuel extraction. I do NOT approve of deforestation. And especially I DO NOT APPROVE OF THE WAY THE PEOPLE THAT ARE IN GOVERNMENT ARE NOT GOVERNING. The people of Canada no longer have a government and you are the problem.

Thank you,

Kathaleen Milan
