Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-03-19 10:18:01 AM

Dear Minister McKenna,

I'm a Canadian living in beautiful Switzerland and I often return to Canada. When I return I visit wild and beautiful places like our national parks. I can't imagine a NP with oil rigs or other oil and gas exploration! I understand the need for new energy sources, but we have to be careful not to repeat the mistakes others did (USA).

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Thank you,
