Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. We have spoiled and destroyed so much of Canada's pristine landscape, we are suffering catastrophic events as a result of climate change, we hurt, kill, and wound innocent wildlife.

PLEASE, say enough is enough. We don't need anymore oil rigs or drills, we need green energy initiatives that create good jobs and clean energy. I implore you to protect that amazing slice of Canada and those beautiful horses that harbor there. PLEASE!!

Thank you,
