Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:14:03 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve, or any National Parks. Encourage the transition to alternative energy sources like was promised by the Liberals. Keep oil explorations and unnecessary transportation away from water sources, damage is permanent and we are meant to be role models to the rest of world.

Thank you,
