**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 3:14:01 PM

Dear Minister McKenna,

Oil and gas exploration should not take place in the Gulf of St. Lawrence or in Sable Island National Park Reserve. As you are probably aware, an oil spill-much like the British Petroleum spill in the Gulf of Mexico- will damage flora and wild life in the area for generations.

Thank you,
