Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. There is a point where enough is enough, and we are past that point with animals suffering due to our actions. This is a NATIONAL PARK. It is supposed to be somewhere natural, ad beautiful, and PROTECTED. Oil and gas activities do not belong here. Please care for what caring Canadians like myself are saying about this.

Thank you,
