Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 10:00:01 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Oil and gas can and will eventually be replaced with more planet-friendly energy sources; but the habitat, plant and animal life preserved and protected by our national parks, once destroyed by exploration and/or oil/gas spills/leaks, cannot be replaced.

I can't understand how national parks are even considered for resource exploitation.

Please leave Sable Island unmolested.

Thank you,
