Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-02-19 4:14:03 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Sable Island is to be off-limits to any exploratory workings. These companies are wanting to destroy our most Natural Resources..... And They MUST BE STOPPED. Oil and gas exploration is to be done AWAY from all National Parks and Human Recreational areas AND ALL Heritage Sites.

PLEASE.... we, the people of Canada, a Great Beautiful Land with so many Natural and Heritage areas, need to keep in mind that we need all of this to keep all of our Flora and Fauna and Animals - great and small - from going the way of the DODO BIRD and all the other Birds and Animals that have been lost to us.... SABLE ISLAND IS SPECIAL!!!!!! PLEASE.... Keep It That Way.

Thank you,

MaryNewby
