Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 6:30:02 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
We should not be expanding our fossil fuel infrastructure when climate scientists tell us that global warming is accelerating faster than when we signed the Paris Accord. The new Canada Food Guide will help personal and planetary health but vegan options need to be mandated at every meal.
Thank you,

PatO'Connor
