Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:28:04 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. National Park Reserves are reserved for protection, they are not to be sold out for drilling purposes. Energy production should be directed towards renewable sources not oil and gas.
Thank you for your time,
