Date: February-06-19 1:02:02 AM

Dear Minister McKenna,

I DO NOT support oil and gas exploration occurring within Sable Island National Park Reserve. I do NOT support oil and gas exploration in any national park.

I DO support development of geothermal, tidal, wind, and solar energy. I DO support the growth of hemp for oil and many other products.

Please use Canadian taxpayer dollars to create a livable, thriving environment.

Thank you,

Penny Sidor
