Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-01-19 10:51:00 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Sable Island is a unique and fragile place with a special reputation around the world. The risk of permanent damage to the ecosystem (and at the same time the reputation of our country) is too high.

Thank you,
