**Date:** January-31-19 4:42:46 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. This is a Canadian National Park Reserve and a unique Park that was declared a national park reserve in 2013. No one has the right to destroy in for any reason. Many other places have been destroyed by oil and gas drilling. The Sable Island National Park Reserve is the only home where the wild horses call home. Minister McKenna, please close any loopholes so that the Canada-Nova Scotia Offshore Petroleum Board can't destroy this unique and precious island.

Thank you,
