**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** February-01-19 4:26:03 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. A National Park Reserve should be protected from commercial exploitation. The land and the wildlife that live there are special and should be maintained and respected. Canada should be moving toward more sustainable power sources not spending more money on resource extraction that we know is destructive and potentially very harmful to the land, sea and wildlife.

Thank you,
