Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 10:28:03 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve nor any other national park or reserve. Your government is supposedly backing us away from fossil fuels in favour of renewables. Surely protecting declared nationally protected areas is one of the easiest non-political ways of doing this. Please use it.

P.S.
This is an election year.

Thank you,
