Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I have heard that the Canada-Nova Scotia Offshore Petroleum Board has put out a “call for bids” for oil and gas exploration off the coast of Nova Scotia that includes Sable Island National Park Reserve. I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. I had hoped a Liberal Government would be more concerned with the environmental impacts on our National Parks. I am very disappointed.

Thank you,
