Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Although not as well known and long standing as some of our other National Parks, Sable Island is a unique landscape that is revered by Canadian for its mystical beauty. As a National Park, it should be out of the question for oil and gas bids. If this goes through, it would not only be a great shame but an embarrassment to Canadians.

Thank you,

Emily Jerome
