Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Our National Parks are precious, and Sable Island and its wildlife are natural national treasures that needs to be protected better. Not everything should be sacrificed to the dollar. Once steps go in the direction of the dollar, it is almost impossible to correct the course back. No one will truly regret not drilling there. They will regret the impact if it is allowed.

Thank you,
