Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Thank you,

I was shocked and disappointed when I first read about possible exploration on Sable Island. As a Canadian I am proud of our national parks and it is the responsibility of all, including our government, to protect them now and for generations to come. Please, leave Sable Island out of gas and oil exploration efforts. Let it be the pristine island we value.
