Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:56:01 AM

Dear Minister McKenna,

National Parks are "preserves" where humans should be only for passive enjoyment of nature. Please preserve national parks for nature. Today, you need to say "no" to oil and gas projects at Sable Island. Tomorrow, there will be pressure on another national preserve. Please stop the exploitation of national parks.

Thank you,
