Dear Minister McKenna,

Come on - this is pathetic. We are heading into a climate crisis and you are the ENVIRONMENT MINISTER and are NOT taking the proper action to do YOUR PART. We send you to summits - yet government FAILS to take us on the RIGHT COURSE TO SAVE THE PLANET AS WE KNOW IT!

The Liberal government came in with a bang - and we admired their initiatives. WHAT THE HELL HAPPENED? Did someone get bought off? Was it all a scam to get elected?

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. I do not support PIPELINES - we need the BILLIONS that are invested in subsidising these dinosaur destroying actions to be re-focused into a future that restores the environment and does not wreck it.

This is criminal.

Thank you,
